

MAINTENANCE SERVICE PLANS

Regular maintenance and inspections are the best way to ensure that your Security System is always delivering the peace of mind you expect. By enrolling in one of Scarsdale Security's Maintenance Service Plans means you may never have to pay full price for a required service.

What's Included?	Monitoring Contract Only	Standard Maintenance Plan	Premium Plan
<i>Pricing</i>	<i>Current Hourly Labor and Equipment Rates</i>	<i>Beginning at \$15/mo</i>	<i>Beginning at \$25/mo</i>
Technical phone support 9 am to 5 pm M – F.	✓	✓	✓
Professional Standard Service by appointment 9 am to 5 pm M – F.	✓	✓	✓
Labor and Equipment for covered repairs or replacements.		✓	✓
Priority Scheduling including 'First of Day' options.			✓
One complimentary battery check per year and replacement of low- or out-of-date batteries.			✓
One complimentary maintenance inspection per year			✓
Preventative Maintenance (Optional cost – requires contract 'Statement of Planned Work' rider with specific details)			✓

Maintenance Service Plans include labor and equipment for repairs or replacements due to normal usage or wear and tear. Preventative Maintenance (PM) which is not a repair can be ADDED to the Service Plan at an additional cost and is NOT included in the above plans without a Signed Scope of Work as an additional signed contract document. Any service due to items beyond Scarsdale Security's control, such as vandalism, willful or accidental damage, unauthorized repair, or alteration will be charged at our standard service rates. A complete list of excluded repairs or replacements may be viewed on our website at www.scarsdalesecurity.com.

LABOR RATES

Non-warranty repairs or replacements for customers that are not enrolled in our Maintenance Service Plan will be billed at the following labor rates (plus retail price of required parts). **Priority and Emergency Rates apply as shown for all customers including Plan participants.**
